Calling all Yogis and Yoginis!!

We are happy to send you our newly revised collection of jewelry for yoga studios and spiritual bookstores and centers. We have a more extensive collection of beautiful jewelry which is not exclusively oriented toward yoga. If you would like to see our complete inventory, visit (www.searchwidens.com). Our collection of yoga jewelry has sprung up organically from our own love of yoga and appreciation for the great spiritual traditions, and we are discovering that yogis and spiritually oriented people seem to really love our designs, which encompass both traditional and more contemporary takes on traditional symbols and styles. All items are sterling silver and many include beautiful semi-precious stones.

We have been in business since 1983 and are very interested in having excellent relations with our customers. We are members of the Fair Trade Federation and Co-op America, and are deeply committed to fair trade practices. We feel that at this time in our planetary evolution it is critical that we all view each other as fellow members of planet earth and do whatever we can to support each other. We appreciate your taking the time to look over our current collection and look forward to hearing from you.

We are continuously adding new items to our inventory, and in the spring of 2009 will be featuring a new line of peace symbol jewelry, so please stay tuned!

Roberta, Angela, and Jamie
